

Reggie Mlangeni

Reggie Mlangeni is currently employed in the Standard Bank Corporate and Investment Bank business. In his role he is responsible for identifying corporate clients as well as state owned entities with exposure to interest rates and foreign exchange fluctuations. He then structures optimal risk management solutions to assist the above-mentioned clients mitigate the risks identified.

He has been employed in the investment banking industry for the past 8 years. More recently the scope of his role has increased to cover the Southern and Central African region. Key clients serviced during this period have ranged from: MediClinic, Vodafone, Growthpoint, DBSA and Ministries of Finance in Namibia to Swaziland.

Reggie completed his MBA through GIBS in 2011. Through this process he was able to develop and enhance analytical as well as interpersonal skills, critical for success in the modern business environment.

He is committed to the development of South African youth as evidenced by his involvement in the Bokomoso Cross Mentorship Program as well as the Young Professionals Forum.
