

Sanele Mnyayiza

Born and bred in KwaZulu Natal, a small town called Hammarsdale. An Accounting Graduate from the Durban University of Technology. A Trainee Accountant at Intergrasol Continuum.

I'm part of Good Stories because it's a good initiative giving hope to people infected and affected by the HIV/AIDS pandemic, being from KZN the province with the most HIV positive people I felt it's my duty to do something and be the change I want to see.
